

Sujet 2 : Portrait d'alien

Demande 1: A partir du document*, en utilisant des ciseaux et de la colle, créez un **alien étrange et très laid**.

Demande 2: Vous êtes un astronaute qui explore une planète inconnue peuplée d'êtres étranges et très laids! Vous décidez de faire le portrait de l'un d'entre eux pour le montrer aux scientifiques à votre retour sur Terre. Faites une image détaillée (Forme, couleurs, texture de la peau etc...) de leur aspect physique. Enfin, vous réaliserez une **fiche d'identité** de l'alien.

Objectifs et compétences:

- Travailler la **cohérence plastique** à partir de techniques variées.
- Créer une image par des moyens plastiques hétérogènes.
- Explorer les possibilités graphiques et picturales pour exprimer la texture.
